There was a discussion about the Appreciation Dinner on July 20, 2014 with a 10:00 am mass. Our Bishop will be in attendance for this event. There will be a sign up sheet with the first 200 people being able to attend.

There was a discussion about changing the Christian Women's meeting day. It was decided to keep it as is. We also talked about how to get more women interested in attending these meetings as they are only 4 times a year. Many items are discussed and with only a few members present we are not really getting a good account of the full women's group. The more people attending the more ideas will be brought to the table.

Doug Caskey spoke about offering his services to do a refresher course on CPR and AED which will take place before July 20, 2014. The class size has a limit of 20 and cost will be minimal. More information will be available in the bulletin.
