

Men's Society Meeting

June 7, 2015

The St. Nicholas Men's Society meeting was called to order by Ralph Schreiner. Father Tom led an opening prayer. 9 members were present.

Past meeting notes were read by Paul Ludwig: accepted by Jeff Theis, 2nd Elmer Neu.

Treasurer's Report end balance is \$593.61: accepted Paul Ludwig, 2nd Gene Schutz.

OLD BUSINESS: Ralph Schreiner and Allen Lutgen fixed fence top pipe at the cemetery. They also lifted and leveled grave stones. This worked well just after the frost was out. Need to do more next spring. In August will fill low spots with black dirt. Paul Ludwig will find confirmation students to help with this. Talked about trimming the trees in the center of cemetery, but may skip a year. Louise Schulz is now cutting the church lawn. Thanks to the Bautch family for their years of service cutting.

NEW BUSINESS: Regarding St. Nicholas adoration of the Blessed Sacrament, attendance is light during the 6 to 7 pm time. Ralph Schreiner will go during that time or will find someone who can. Also any other parish member can try to attend during this time. A motion was made and passed to change the number of Masses read for deceased men's members from 3 to 2 Masses. Gene Schutz will put some caution tape on the last stairway step inside the elevator room.

Sick members: none

Closing prayers were said and a lunch followed.
