OLD BUSINESS: Some discussion on Stations of the Cross replacement. Dave Stang and Paul Ludwig plan to visit some neighboring churches to view what they have. It was suggested to see Tom Mathies from Eden Valley, he may know where to view and get prices for new ones. We plan to bring our findings to all parish members and see if we want to go ahead and update the current ones.

NEW BUSINESS: The parish house light at the outside front door does not work correctly. Paul Ludwig will purchase and replace it. The roulette wheel that was in the church basement is now on loan to the Watkins Nursing home. It needed repair and some paint. They will repair it, we can borrow it back when and if it is needed in the future. Some of the street lights in town are quite dim. Jeff Theis will meet with the township board about updating them. St. Nicholas church will pay for the ones that are on church property.

The Men's Society would like to thank Art Faber for delivering our bulletins to our church members that live in the Watkins Nursing home.

Sick members: Vern Schreiner is now home from the Watkins nursing home!!

Closing prayers were said and lunch followed.

Respectfully submitted: Paul Ludwig
