Change of Trustees: Fr. Statz and the entire Parish Council would like to THANK Mike Kuechle for his MANY years of service to our Parish as one of the two trustees of St. Nicholas!! The Diocese of St. Cloud has a policy that the Trustee could serve up to a 10 year term (2 consecutive 5 year terms) and Mike has served well over this number of years! Fr. Statz, after being here for over one year now, consulted the trustees, the council and even the former pastor, and he chose Ken Lutgen. Fr. Statz considers Ken to be a very active member in the parish. Ken's term has officially begun on July 31, 2018. Mike is a very valuable resource for our parish and we hope that he will continue to be an active and present member of our parish! We very much appreciate all he does, and continues to do, for our Parish!

Trustee Meeting: There will be a Trustee Meeting on Tuesday, August 14th at 5:30 pm in the Parish House to go over the Financial Report.

Gospel Connection: In her new book *Grateful: The Transformative Power of Giving*, Diane Butler Bass recalls her first college teaching job. It was not a happy experience. Her credentials were strong but the college - a small, Christian School in California - turned out to be a poor match of her talents with the school's expectations. After four years at the school, she was let go. The president of the school told her, "Your work is wonderful. You are an excellent teacher. But you just don't fit in here." He looked at her and added, "One day you will thank me for this."

"Thank him?" Bass writes. "I wanted to throttle him. In less than two months, I would be without a job and a paycheck, with few prospects for the work in a weak academic job market. Being grateful to the person who put me in this position was the last thing on my mind." A week later, Bass was telling a friend of the exchange at that final meeting: "Can you imagine the nerve of him? That one day I will thank him? What kind of nonsense is that?" She expected her friend to rush to her defense. Instead, he leaned back in his chair and said, "You know, he's right." What? "Years ago," he continued, "I lost a job. It was painful, and I was angry. It didn't seem a favor. But, eventually, it was the event that made me understand that I was an alcoholic. And that led me to get sober. Eventually, I understood that it was what I needed for my life to change. Not that it was easy." But "I'm not an alcoholic," Bass shot back. "That's not the problem here." "I get that," he said. "But we all need to look at ourselves more honestly. To figure out who we are and where we are really heading. To correct course. Sometimes that only happens in circumstances like this. One day, I bet you will thank him." "Did you? Thank the guy that fired you?" "Yes," he replied. "I did. But not at first. Mostly I wanted to throw him off a cliff. And yes. I did thank him. Years later. After I learned gratitude."

The challenge facing Prof. Bass, as well as Jesus' listeners in today's Gospel, is to move beyond "murmuring" about the rejections and disasters that have struck us in order to stop to listen and see the presence of God in what has happened. Eventually, it leads us from the "murmuring" of anger and despair to the "manna" of awareness and gratitude for the joy and meaning of life in God. The late Maya Angelou said: "If you must look back, do so forgivingly. If you must look forward, do so prayerfully. However, the wisest thing you can do is be present in the present . . . gratefully."

Cemetery Project: Everything is moving nicely. The granite ledger and cladding will be completed in the next couple of weeks. We are tentatively looking at installation to be the week of August 27th. Currently we have raised over half of the \$25,000 needed to complete the process. If anybody has any questions or concerns about this project, please do not hesitate to give Dave Stang a call or email. Cell: 320-469-4735 email: dstang@catholicunited.org

Maintenance Committee: The Maintenance Committee met and came up with a list of projects that are in need of being completed for the Church and Parish House. You will find the list on the parish website and copies in the back of Church. Any help would be greatly appreciated. If you are able to tackle any of these projects or are willing to offer your help, please contact Ken Lutgen at 764-2043 or Mary Caskey at 597-2854. Thank you to the people who have completed some of the projects already!
