Gospel Reflection

A single mother who has a child with special needs works two jobs and sacrifices much of her own pleasures in order to be available for her son. Being the best mother possible is important to her and brings her joy. We are willing to make great and often heroic sacrifices for those people and things that matter most to us. Unless there is something of obvious importance to us in our immediate path, we can easily approach life in a more haphazard and chaotic way. We jump from one thing to another, responding to whatever it is that is competing for our attention at that moment. When everything is important, nothing is important.

If we do not wear the right pair of glasses, we can get all too easily caught up in the superficial stuff and neglect paying attention to the things that really matter. The kingdom of God is like the pearl of great price that is worth selling everything for so that it can be obtained. Based on where I invest my time and energy each day, I really wonder whether I am serving God's kingdom or my own. Have you ever considered tracking how you spend your time? You may be surprised! We allow our agendas to set the clock of our lives. We forget that joy and a true sense of purpose are not going to be found in following that timepiece. Joy is the expression of the happiness that is discovered when living in the kingdom of God. When our agenda matches God, not only do we leap for joy but God leaps with delight as well. Our well-being is what matters most to God.

Can you imagine God delighting in you? It is easy to deaden our senses to the whole reality of God and the joy that living the Gospel can bring. The demands of secular life and the agendas competing for our attention can quickly do that. We can get tired and spiritually apathetic. But if we can see our way through all of the conflicting voices and hear the voice of God, we can rediscover our zeal and passion and redirect our efforts. When we begin to see as God sees, we can rise each day and notice what really needs our attention and embrace it with exuberance. Be careful, though. It may not be what we originally had on our list. Responding to it, however, will be worth putting everything else aside.

DIOCESAN NEWS

PRAYER FOR A NEW BISHOP:

As you know, Bishop Don Kettler turned 75 in November of 2019. He submitted his letter, to Pope Francis, to request retirement. Please help us pray for God's guidance as the pope discerns a new shepherd for the Diocese of Saint Cloud.

Praise to you, Lord our God, our eternal shepherd and guide. In your faithfulness, grant to the Diocese of Saint Cloud a shepherd whose watchful care and kindly zeal will continue the good work of his predecessors. In your love for us, give us a shepherd who will lead us in being Christ's heart of mercy, voice of hope, and hands of justice. Help him to fill our minds and hearts with the truth of the Gospel, the power of the sacraments, and the desire to build up your holy Church. We ask this through Jesus Christ, your Son and our Lord, in the unity of the Holy Spirit, one God, forever and ever. Amen

BISHOP'S ANNUAL APPEAL:

"Transformed by faith and sent in service to all." The Appeal supports ministries that affect you, your family and your greater parish community. Please make a gift today. Visit www.stcdio.org/annualappeal. Every dollar raised goes directly to ministries that support our Catholic faith and are not used for any other purpose.

WEEKLY FAMILY SESSIONS

Are you looking for a resource to help your family keep holy the Sabbath day at home? Perhaps you are looking for a way to build up your family's faith life. Visit <http://familytogether.stcdio.org/> where you will find weekly sessions based on the Sunday Gospel.

COVID-19: A PRAYER OF SOLIDARITY

For all who have contracted coronavirus, we pray for care and healing.
 For those who are particularly vulnerable, we pray for safety and protection.
 For all who experience fear or anxiety, we pray for peace of mind and spirit.
 For affected families who are facing difficult decisions between food on the table or public safety, we pray for policies that recognize their plight.
 For those who do not have adequate health insurance, we pray that no family will face financial burdens alone.
 For those who are afraid to access care due to immigration status, we pray for recognition of the God-given dignity of all.
 For our brothers and sisters around the world, we pray for shared solidarity.
 For public officials and decisionmakers, we pray for wisdom and guidance.

Father, during this time may your Church be a sign of hope, comfort and love to all. Grant peace. Grant comfort. Grant healing. Be with us, Lord. Amen.
